Hugo Montenegro - single

1499	Montenegro, Hugo	*Theme from "The Long Ships"/ Theme from "Good Neighbor Sam"*	*RCA 8369 (US)*	*1964*

1 – Big orchestra, lots of strings, no piano - 2: Has a strange piano sound – reminds me of the old "barrel-house" piano - as lead instrument.

Both tracks are from the films of the same names. Rumored to be Leon? I will list it as a maybe.
